Meals on Wheels Spokane

The Meals on Wheels Spokane program has been delivering hot, nutritious meals to elderly, disabled, homebound seniors in Spokane since 1967.

With the help of more than 400 volunteers, Meals on Wheels serve over 330 meals daily and more than 110,000 meals each year.

The objective of Meals on Wheels Spokane is to provide the proper nutrition to those individuals who cannot meet the need on their own.
